DETAILED ACTION

Allowable Subject Matter

1. Claims 1-19 are allowed over prior art of record.

Reasons For Allowance

2. The following is an examiner's statement of reasons for allowance:

After further search and consideration of Applicants' response filed on January 23rd, 2007 (see Applicants' arguments on pages 7-10 of the January 23rd, response), it is determined that the prior art of record neither anticipates nor renders obvious the claimed subject matter of the instant application as a whole taken alone or in combination. In particular, independent claims 1, 7 and 13 are allowable for the same reasons as indicated by the Applicants' persuasive arguments on page 7, lines 20-28, page 9, lines 7-16, and page 10, lines 10-16 of the January 23rd, response.

Claims 2-6, 8-12, and 14-19 also allowed as being directly or indirectly dependent of the allowed independent base claims.

Conclusion

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
